FUTTER:

The image shows a matching exercise. On the left, under the heading 'TIERE:', there are seven illustrations of animals: a monkey, a dog, a squirrel, a bear, a cat, a koala, and a rabbit. On the right, under the heading 'FUTTER:', there are seven illustrations of food items: a branch of eucalyptus leaves, a fish, a bowl of nuts, a banana, a bone, a carrot, and a mouse eating grass. Green lines connect each animal to its corresponding food: the monkey is connected to the banana, the dog to the bone, the squirrel to the nuts, the bear to the fish, the cat to the carrot, the koala to the eucalyptus leaves, and the rabbit to the mouse eating grass.
